Superintendent's Message

As you have hopefully heard or seen by now, we are focusing on ensuring that our students are prepared to be 21st Century Leaders and Learners. To help them realize this goal we are focusing on our EWCSD 5 Cs: Critical Thinking; Creativity; Communication; Collaboration; and Community. To streamline our communication we are re-envisioning our monthly newsletter to the format you see below. We are committed to on-going communication using newsletters, Facebook, Instagram, Twitter and more. We would love for you to take a closer look at the articles below to learn about the outstanding programs, activities and initiatives we have underway to continue to foster the legacy of pride we feel within EWCSD!

EWCSD Social Media Campaign

There are many wonderful things happening at the East Whittier City School District! We want to share and celebrate our students' and staff accomplishments with you. So follow us on your favorite social media platform to see the great things happening in our District and schools.

The Chromebooks are Coming, the Chromebooks are Coming!

EWCSD has adopted a push for an integrated 21st Century focus to our instruction in order to prepare our students for a workforce that is ever more dependent on their ability to think critically, exercise creativity, and collaborate with their peers to accomplish complex tasks. Changes Are In the Works!

Walk onto any campus in the East Whittier City School District to see the amazing things that are happening each day. Strong teaching, committed staff members, hard working students, and supportive families help make EWCSD a great place for students to learn. Teachers and staff are working together to create 21st Century Learners, who are developing the skills to be tomorrow's leaders. Changes are coming to the District Office to help us communicate these great things. Click here to read more.

Personnel Services Celebrations

There are many celebrations and milestones among our EWCSD staff. Click here to read more.

Schools Gear Up for the GATE STEM Academy

East Whittier City School District's Gifted and Talented Education students will participate in this year's GATE STEM Academy which will immerse them in a series of advanced educational offerings, including workshops in Forensic Science, Zoology, and the Science behind Pokémon powers.
